Mark,

I was looking back through my communications with HED on aldicarb. At the end of the meeting this morning you asked

Good morning Debra,

Just wanted to check with you about aldicarb. Do you need anything else from HED? Thanks,

Hi Debra,

Thank you for sending the PCT values. I will see how they change the DWLOC and let you know the result.

Hi Mike / Will,

Following our meeting this morning I had a call with Mark Suarez about projected % crop treatment for the new aldicarb uses.

Ex. 5 Deliberative Process (DP)

I'm hoping this is what you might need to take a quick look at the effects on the DWLOC and Food only numbers. If not, let me know.

Thank you!
